- (3) A transfer in period is the period equal to M's period as an active member in another occupational pension scheme (including a connected scheme) in relation to which a transfer value in respect of M's rights under the scheme has been accepted under Part 7.
- (4) A transferred undertaking period is the period of employment that qualified M for rights under another occupational pension scheme where—

Pension accounts

Establishment of pension accounts

24.—(1) The scheme manager must establish and maintain one or more of the following pension accounts for each member of this scheme in accordance with Schedule 9—

- (a) active member's account;
- (b) deferred member's account;
- (c) pensioner member's account;
- (d) additional pension account;
- (e) pension credit member's account.

(2) A pension account—

- (a) may be kept in any form the scheme manager considers appropriate; and
- (b) must specify the details required by these Regulations.

(3) References in these Regulations to any amount specified in a pension account are references to the amount that is required by these Regulations to be so specified and not, if different, the amount actually so specified.

Closure of pension accounts on transfer out or repayment of balance of contributions

25.—(1) All pension accounts relating to a member (other than a pension credit member's account) must be closed if—

- (a) a transfer payment is made in respect of the member's accrued rights under this scheme; or
- (b) the member is repaid the balance of contributions under regulation 41.

(2) Paragraph (1) does not require the scheme manager to close an account that includes amounts to which the transfer payment or the refund does not relate or is not attributable.

(3) An account that is not closed because of paragraph (2) must be adjusted as the scheme manager considers appropriate to reflect the extinguishment of rights under this scheme.

Calculation of amount of accrued pension

26.—(1) For the purpose of a full retirement pension, the amount of accrued pension is calculated in accordance with paragraph 28 of Schedule 9.

(2) For the purpose of a partial retirement pension, the amount of accrued pension is calculated in accordance with paragraph 29 of Schedule 9.

(3) For the purpose of a deferred member's account, the amount of accrued earned pension is calculated in accordance with paragraph 30 of Schedule 9.

PART 4

Contributions

CHAPTER 1

Determination and payment

Pensionable earnings

27.—(1) The pensionable earnings of a member (M) are defined by the appropriate entry in the Table where—

- (a) column 1 applies an identifying letter to the group to which M belongs;
- (b) column 2 describes M’s employment in or engagement with a health service activity; and
- (c) column 3 specifies the nature of the income derived by M from the employment or engagement.

Table

<i>Column 1 Group</i>	<i>Column 2 Employment/Engagement</i>	<i>Column 3 Income</i>
A	M is employed by an NHS organisation.	Salary, wages, fees and other regular payments made to M in respect of M’s employment but not including— (a) bonuses; (b) payments made to cover expenses; (c) payments for overtime; or (d) pay awards or increases which are expressed by the Secretary of State to be non-consolidated.
B	M is employed by a medical contractor, a non-GP provider or a dental contractor.	
C	M is employed by— (a) a determination employer; or (b) an independent provider.	
D	M is— (a) a medical practitioner; (b) a dental practitioner; or (c) a non-GP provider.	

(2) M’s pensionable earnings may be attributable to M belonging concurrently to more than one group in the Table.

(3) If M is a non-GP provider—

- (a) paragraph (2) does not apply;
- (b) if M derives income from more than one entity as a non-GP provider, M’s practitioner income in respect of only one of those may be taken into account for the purpose of establishing M’s pensionable earnings.

(4) If, in addition to an employment mentioned in paragraph (1), M holds an honorary office or appointment, a distinction award payable to M as a consequence of holding the office or appointment is treated—

- (a) where M is in one employment, as pensionable earnings of that employment;
- (b) where M is in two or more employments, as pensionable earnings of such of the employments as the scheme manager thinks appropriate.

(5) In paragraph (1), a practitioner is a person who is—

- (a) a fully registered person (within the meaning of section 55 of the Medical Act 1983) who is not a GP registrar and is—

- (i) a medical practitioner;
 - (ii) an ophthalmic practitioner; or
 - (iii) a locum practitioner; or
- (b) a dental practitioner.

Pensionable earnings: break in service

28.—(1) Paragraph (3) applies to a member (M) if—

- (a) the absence condition is satisfied; and
- (b) the earnings used to calculate M's pensionable earnings under regulation 27 are reduced or cease.

(2) The absence condition is that M is absent from work because of—

- (a) illness or injury;
- (b) maternity leave;
- (c) adoption leave;
- (d) paternity leave; or
- (e) parental leave or shared parental leave.

(3) Amounts equal to the pensionable earnings that M would have received but for the absence are treated as having been paid to M.

(4) Paragraph (3) does not apply to M as respects any period after the earnings used to calculate M's pensionable earnings under regulation 27 have ceased to be paid to M if—

- (a) M is neither a practitioner nor a non-GP provider; and
- (b) M is within paragraph (2)(a).

(5) For the purposes of regulations 27 to 31, amounts equal to reduced earnings to which paragraph (6) applies are treated as pensionable earnings.

(6) The reduced earnings are the amount to which the earnings used to calculate M's pensionable earnings under regulation 27 are reduced—

- (a) for any period while M is within paragraph (2);
- (b) for any period (period A) while M is within paragraph (2)(b) to (e) and during a period following that period (period B) whilst M continues to be within that paragraph and M's earnings are reduced to zero.

(7) For the purposes of paragraph (6)(b)—

- (a) pay received by a woman on maternity leave in respect of days during which she returns to work for the purpose of keeping in touch with the workplace must be ignored;
- (b) earnings reduced to zero in period B are treated as if they were reduced to the amount applicable to period A.

(8) During any period of absence which counts as pensionable service under regulation 21(4) or (6) (up to 24 months leave of absence with full contributions), amounts equal to the rate of M's pensionable earnings immediately before the absence are treated as pensionable earnings.

(9) This paragraph applies if M belongs to group D in regulation 27(1) and M's earnings have been reduced or ceased—

- (a) if M is one of a number of practitioners or non-GP providers who have elected under paragraph 4(4) of Schedule 10, each practitioner's or non-GP provider's pensionable earnings are calculated as if the partnership's aggregate pensionable earnings were equal to the amount of the partnership's aggregate pensionable earnings for the period of 12 months ending immediately before M's earnings were reduced or ceased;

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

- (b) in any other case, M is treated as having continued to receive the same average rate of pensionable earnings as during that period.
- (10) If the earnings used to calculate M's pensionable earnings cease during a period of absence specified in paragraph (2)—
- (a) a practitioner or non-GP provider within paragraph (2)(a) is treated as having continued in pensionable employment for a period of 12 months starting on the date on which M's earnings ceased and M is not treated as having left pensionable employment until the end of that period;
 - (b) a practitioner or non-GP provider falling within paragraph (2)(b) to (e) who paid contributions on the basis of reduced earnings in accordance with paragraphs (5) and (6)(b) must continue to pay contributions at that rate, but no refund of contributions or other benefit is payable until M actually leaves pensionable employment;
 - (c) a member other than a practitioner or non-GP provider is treated (subject to paragraph (7)) as having left pensionable employment, but no refund of contributions or other benefit is payable until M actually leaves pensionable employment.
- (11) For the purposes of paragraph (10)(a)—
- (a) during the 12 month period, the practitioner's or non-GP provider's pensionable earnings are to be calculated in accordance with paragraph (9)(a) or (b);
 - (b) at the end of the 12 month period, when M is regarded as having left pensionable employment, no refund of contributions or other benefit is payable until M leaves pensionable employment.
- (12) For the purposes of paragraph (10)(b), the rate of contributions payable is the rate that would have been payable on the basis of reduced earnings in accordance with paragraph (5) and (6)(a) if the practitioner's or non-GP provider's reduced earnings had excluded earnings for a day during which the practitioner or non-GP provider, whilst on maternity leave, returned to work for the purpose of keeping in touch with the workplace.
- (13) If M fails to pay contributions which are required to be paid in respect of a period of absence to which this regulation applies—
- (a) M is treated as having left pensionable employment; but
 - (b) no refund of contributions or other benefit is payable until M actually leaves pensionable employment.
- (14) Benefits payable on the death of a member whose earnings ceased during a period of absence to which paragraph (2) applies are calculated as if the member had died in pensionable employment the day before the earnings ceased.

Pensionable earnings: more than one employment

- 29.—**(1) This regulation applies if, at any time, a member (M) is in receipt of pensionable earnings in respect of two or more employments each of which is attributable to M belonging to any of groups A to C in the table in regulation 27.
- (2) If it appears to the scheme manager that the total pensionable earnings for the employments exceeds the comparable amount, the excess is ignored for the purposes of this Part.
- (3) The comparable amount is the amount that would be the pensionable earnings for a single comparable whole-time employment, not held concurrently with any other employment, under which services of the kinds performed in the two or more employments are performed.
- (4) Each employing authority of M's must provide the scheme manager with such information relating to M's employment as the scheme manager requires for the purpose of enabling the scheme manager to determine what is a single comparable whole-time employment.
- (5) In determining what is a single comparable whole-time employment, the scheme manager must have regard to guidance issued by the scheme actuary for the purpose.

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

- (6) It is immaterial whether one or more of the employments mentioned in paragraph (1)—
- (a) is with the same employing authority; or
 - (b) is treated as a part-time employment.
- (7) An employment includes a contract to perform services.

Members' contributions: employees

30.—(1) This regulation applies in relation to an active member (M) who belongs to group A, B or C in regulation 27(1).

(2) M must make contributions to this scheme (“members’ contributions”)—

- (a) in respect of M’s pensionable earnings;
- (b) at M’s contribution rate for the scheme year in question.

(3) Where paragraph 2 of Schedule 11 (determination of pensionable earnings for the purposes of setting a contribution rate for members) applies, M’s contribution rate for each of the scheme years 2015/16 to 2018/19 is the percentage specified in column 2 of the following table in respect of the corresponding pensionable earnings band specified in column 1 into which M’s pensionable earnings fall.

Table Scheme Years 2015/16 to 2018/19

<i>Column 1</i> <i>Pensionable earnings band</i>	<i>Column 2</i> <i>Contribution percentage rate</i>

£70,631 to £111,376	13.5%
£111,377 to any higher amount	14.5%

(4) The Secretary of State must—

- (a) with the consent of the Treasury; and
- (b) having considered the advice of the scheme actuary,

determine the pensionable earnings bands and contribution percentage rates in the Table set out in this regulation in respect of each subsequent scheme year.

(5) M’s employing authority must deduct member contributions from M’s pensionable earnings and pay them to the scheme manager not later than the 19th day of the month following that in which the earnings were paid to M.

(6) If M’s employing authority has failed to deduct contributions pursuant to paragraph (5), the scheme manager may recover the amount of unpaid contributions by deduction from benefits payable to, or in respect of, M if the scheme manager has notified M of an intention to do so.

Members' contributions: practitioners and non-GP providers

31.—(1) This regulation applies to an active member (M) who belongs to group D in regulation 27(1).

(2) M must make contributions to this scheme (“members’ contributions”)—

- (a) in respect of M’s pensionable earnings;
- (b) at M’s contribution rate for the scheme year in question.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(3) M’s contribution rate for each of the scheme years 2015/16 to 2018/19 is the percentage specified in column 2 of the table in paragraph (9) (“the Table”) in respect of the corresponding pensionable earnings band specified in column 1 of the Table into which M’s pensionable earnings fall.

(4) The Secretary of State must—

- (a) with the consent of the Treasury; and
- (b) having considered the advice of the scheme actuary,

determine the pensionable earnings bands and contribution percentage rates specified in the Table in respect of each subsequent scheme year.

(5) In determining members’ contributions payable in accordance with this regulation, a host Board must take account of pensionable earnings from all practitioner service, including such pensionable earnings determined by another host Board.

(6) An employing authority that is not a host Board must, in respect of pensionable earnings it pays to M, take advice from a relevant host Board in determining the contributions payable in accordance with this regulation.

(7) If M is engaged under a contract of service or for services by an employing authority or is a partner or shareholder in an employing authority that is not an OOH provider, the authority must—

- (a) deduct contributions due under this regulation from any pensionable earnings it pays to M; and
- (b) if it is not also the host Board, pay the contributions to the host Board not later than the 7th day of the month following the month in which the earnings were paid.

(8) In any other case, M must pay members’ contributions to the host board not later than the 7th day of the month following the month in which the earnings were paid.

(9) The Table—

Table: Scheme Years 2015/16 to 2018/19

(10) Regulations 38 and 39 and Schedule 12 make provision supplementary to this regulation and references in those regulations to “the Table” must be construed in accordance with paragraph (3).

Members’ contributions: redundancy

32.—(1) This regulation applies if—

- (a) a member’s (M) employment is terminated by reason of redundancy;
- (b) M will become entitled to payment of a pension under regulation 82 on the entitlement day for a premature retirement pension;
- (c) the additional contribution option applies to M; and
- (d) unless M pays an additional contribution as mentioned in paragraph (2), the amount of M’s pension would be reduced pursuant to paragraph 7(5) of Schedule 13.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(2) M may pay such additional contribution as the scheme manager (having regard to the advice of the scheme actuary) determines will be sufficient to meet the cost of the pension insofar as that is not met by the contribution paid by M's employing authority under regulation 35.

(3) For the purposes of paragraph (2), the scheme manager must provide M's employing authority with such information as will enable the employing authority to notify M as to the effect that paying contributions of any particular amount would have on the amount of the pension payable to M.

(4) The amount of the additional contribution payable pursuant to paragraph (2) must be—

- (a) not less than £500 (or such other figure as the scheme manager thinks appropriate);
- (b) a whole number of pounds divisible by £10.

(5) For the purposes of paragraph (4)—

- (a) if the insufficiency mentioned in paragraph 7(4) of Schedule 13 is less than £500, sub-paragraph (a) is ignored;
- (b) if it is necessary to do so to comply with sub-paragraph (b), the figure must be rounded down to the nearest whole number of pounds divisible by £10.

(6) If M decides to pay an additional contribution, the amount of the contribution must be paid to M's employing authority in sufficient time to enable the authority to remit the payment to the scheme manager at the same time as the authority pays the contribution it is required to pay pursuant to regulation 35.

(7) The additional contribution option applies if the terms and conditions of M's employment entitle M optionally to make an additional contribution towards the cost of paying the pension if the lump sum payment is insufficient to meet that cost in full.

Contributions by employing authorities

33.—(1) The employing authority of an active member of this scheme must contribute to the scheme in respect of the pensionable earnings of the member at the employing authority's standard rate: 14.3%.

(2) Paragraph (3) applies if—

- (b) is an active member of this scheme in respect of each employment.

(3) This regulation and regulations 34 and 35 apply in respect of each employment as if it were the only employment held by the person.

(4) The Secretary of State may direct that for the purposes of this Part, "employing authority" includes one or more of the following—

- (a) the transferee under a transfer of staff order pursuant to—
 - (i) in the case of England, section 28(4)(b) of, or paragraph 29(3) of Schedule 4 to, the 2006 Act;
 - (ii) in the case of Wales, section 22(4)(b) of, or paragraph 8 of Schedule 3 to, the 2006 (Wales) Act;
- (b) a successor, transmittee or assignee of all or part of an employing authority's business or functions;
- (c) the last employing authority of a person to whom these Regulations apply.

(5) The employing authority's standard rate contribution must be paid to the scheme manager not later than the 19th day of the month following that in which the member is paid the pensionable earnings to which the contribution relates.

- (a) a medical practitioner employed by a medical contractor or non-GP provider must be paid by the medical contractor or non-GP provider (as the case may be);

(8) Contributions payable by an employing authority under regulation 48(3) or 57 for a medical practitioner employed by a medical contractor or non-GP provider must be paid by the medical contractor or non-GP provider (as the case may be) rather than the host Board.

Employing authority contributions: interests of efficiency

34.—(1) This regulation applies if—

- (a) a member’s (M) employment is terminated by M’s employing authority in the interests of the efficient discharge of the employing authority’s functions; and
- (b) M will become entitled to payment of a pension under regulation 81 on the entitlement day for a premature retirement pension.

(3) Paragraph (4) applies if—

- (a) a pension becomes payable to M under regulation 81 in respect of the termination of M’s employment with an employing authority (the “first authority”); and

(2) M’s employing authority must make a single lump sum contribution to the scheme manager of the relevant amount.

(3) The contribution must be paid—

- (a) if the additional contribution option applies, not less than one month before the entitlement day (see regulation 83);
- (b) in any other case, within one month of the date on which the pension under regulation 82 became payable.

(4) The relevant amount is—

- (a) if the additional contribution option applies, whichever is the lesser of—

(8) In making a determination for the purposes of paragraph (4)(a)(i), the scheme manager must have regard to the advice of the scheme actuary.

Interest and administration charges: late paid contributions

36.—(1) There is a chargeable event if an employing authority fails to pay—

- (a) the contributions it is required to pay under regulation 30, 31, 33, 34, 35, 48 or 57;

(5) An amount payable by way of interest or payable by way of an administration charge is to be paid as a single lump sum unless the scheme manager—

- (a) considers the case to be exceptional; and
- (b) considers it appropriate for all, or part, of the amount to be paid over a period and by a number of instalments determined by the scheme manager.

(6) Where the scheme manager considers the case to be exceptional, nothing in the preceding paragraphs prevents the scheme manager from waiving all or any part of the amount of interest, or all or any administration charges, payable.

(7) The standard rate of interest in respect of arrears for the scheme year 2015/2016 and subsequent years is the rate of the consumer prices index for the month of February immediately preceding the scheme year in which the chargeable event arose plus 3% compounded at annual intervals.

(8) The administration charge in respect of arrears for the scheme year 2015/2016 and subsequent years is £75.

CHAPTER 3

Buy-out: actuarial reduction

Eligibility to make buy-out election

43.—(1) A member (M) who has a prospective normal pension age over 65 may elect to pay contributions to buy out the actuarial reduction (“buy-out election”) in accordance with this Chapter.

(2) A buy-out election ceases to have effect when the earliest of the following occurs—

- (b) the beginning of a subsequent scheme year.

(4) When making a buy-out election, M must—

- (b) not have reached normal pension age.

(5) An election under this regulation may be made by M on only one occasion.

Making and varying a buy-out election

44.—(1) A buy-out election made by a member (M) must state the number of years in respect of which the actuarial reduction is to be bought out.

(2) The number of years—

- (a) must not exceed 3 or (if less) the number of years from the date of M’s 65th birthday until M’s prospective normal pension age; and
- (b) must be a whole number of years unless—
 - (i) M’s prospective normal pension age is expressed otherwise than as a whole number of years; or
 - (ii) the scheme manager (having considered the advice of the scheme actuary) considers in M’s circumstances it is unreasonable to restrict the period to whole years.

(3) A buy-out election must be made by written notice to the scheme manager.

(4) The notice of election must—

- (a) if M is a member of this scheme by virtue of more than one employment, specify the names of each of the employing authorities; and
- (b) be in such form and provide such other information as the scheme manager requires.

(5) The scheme manager may ask M to provide further information.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(6) M may by written notice to the scheme manager vary a buy-out election to increase the period for which the actuarial reduction is bought out at any time before a retirement pension becomes payable to M.

(7) Paragraph (6) is subject to paragraph (2) and regulations 43(3) and (4).

(8) Regulation 46 applies to a notice under paragraph (6) as it applies to an election under regulation 43(1) and, for the purposes of this paragraph, the amount found under regulation 46(2) includes the value of any increase mentioned in paragraph (6).

Accepting a buy-out election

45.—(1) The scheme manager may accept a buy-out election by giving written notice to the person who made the election (M).

(2) The notice must state—

- (a) the rate of the monthly payments determined under regulation 47; and
- (b) the date on which M reaches prospective normal pension age.

(3) A buy-out election takes effect when M receives notice that the scheme manager has accepted the election.

(4) The buy-out period is the number of scheme years starting with (and including) the scheme year in which the buy-out election takes effect and ending with (and including) the scheme year in which the earliest of the following occurs—

- (a) M revokes or is taken to have revoked the election;
- (b) M ceases to be a member of the scheme;
- (c) M reaches normal pension age.

(5) The buy-out period does not include a scheme year in which payment of buy-out contributions is suspended by virtue of regulation 49.

46.—(1) The scheme manager must not accept an election under regulation 43(1) from a member if—

- (a) the member has made an election under regulation 55; and
- (b) paragraph (2) applies.

(2) This paragraph applies if the value of the actuarial reduction bought out exceeds the greater of the first and second amounts in paragraph (3).

(3) In this paragraph—

- (a) the first amount is $B - A$;
- (b) the second amount is $L - A$,

where—

B is the maximum potential value (determined having regard to the advice of the scheme actuary and the limits in regulation 44(2)) at the date of the election under regulation 43 (in terms of annual pension) of the reduction for the period for which the buy-out has effect;

L is the overall limit for the purposes of regulation 61; and

A is the value (in terms of annual pension) of any additional pension purchased or being purchased by the member under this scheme.

(4) A reference to the value of an additional pension is, in the case of a member who has made more than one election under regulation 55, a reference to the aggregate value of all the additional pensions in respect of which the member has made an election.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

Determination of contributions payable

47.—(1) The scheme manager must, after consultation with the scheme actuary, determine the rate of the monthly payments to be paid in respect of a buy-out election.

(2) The scheme manager—

- (a) may determine the rate of the monthly payments by reference to the length of the period between the date of the buy-out election and the date when the member will reach prospective normal pension age; and
- (b) may exercise the functions under this paragraph so as to re-determine the rate of the monthly payments during that period.

(3) Unless the scheme manager re-determines the rate, monthly payments following a gap in service not exceeding 5 years are the same as before the gap.

Payment of buy-out contributions

48.—(1) A member (M) must—

- (a) make the first monthly payment within 2 months after the end of the month in which a buy-out election is accepted; and
- (b) continue to make the monthly payments until the end of the period mentioned in regulation 47(2)(a).

(2) If the scheme manager re-determines the amount of the monthly payment during the period mentioned in regulation 47(2)(a), M must pay the re-determined amount from—

- (a) the start of the next scheme year; or
- (b) such later date as the scheme manager specifies.

(3) If the member's employing authority agrees to pay any or part of the contributions, the amount payable by the employing authority must be paid at the time the member would otherwise have been required to pay them.

(4) For the purpose of determining the amount of contributions payable during any period in which M's pensionable earnings are reduced as mentioned in regulation 28, the reduction in pensionable earnings must be disregarded.

(5) In this regulation, "the first monthly payment" includes any monthly payment due in arrears for the period between the start of the scheme year in which the buy-out election is accepted and the date of that first payment.

Suspension of buy-out: hardship

49.—(1) The scheme manager may, at the request of the member (M), agree to the suspension of the payment of contributions due under regulation 48 if the scheme manager is satisfied that M's circumstances are such that M will suffer hardship if the payments are not suspended.

(2) A period of suspension is permitted only if—

- (a) there has been no previous suspension; or
- (b) if there has been an earlier suspension, contributions have been paid for not less than a full scheme year since the earlier suspension ended.

(3) If the scheme manager agrees to the suspension, paragraph (4) applies unless—

- (a) not later than one year after the request under paragraph (1) is made M applies to resume making contributions; and
- (b) M resumes making the contributions at the start of the following scheme year.

(4) If this paragraph applies—

- (a) M is taken to have revoked the buy-out election; and

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(b) M is not entitled to make any other buy-out election under the scheme.

(5) Paragraph (6) applies if—

(a) the scheme manager agrees to the suspension of payment of contributions by M; and

(b) M's employing authority has agreed to pay contributions as mentioned in regulation 48(3).

(6) Payment of contributions by M's employing authority is suspended for the same period as the payment of contributions by M is suspended.

Revoking a buy-out election

50.—(1) A member (M) may revoke a buy-out election at any time before the end of the period mentioned in regulation 47(2)(a).

(2) The scheme manager may revoke M's buy-out election if M does not pay contributions for a period of 12 months.

(3) If a buy-out election is or is taken to have been revoked, M's monthly payments cease to be payable on the date of revocation.

(4) If, at the revocation date, the buy-out period during which the contributions were paid was less than 12 months—

(a) the contributions must be re-paid to M; and

(b) the buy-out election ceases to have effect.

(5) If, at the revocation date, the buy-out period during which the contributions were paid is 12 months or more—

(a) contributions paid during the scheme year in which the election is revoked must be repaid to M; and

(b) the buy-out period ends at the end of the previous scheme year.

(6) The revocation date is the date the buy-out election is, or is taken to have been, revoked.

CHAPTER 4

(b) a dependant of M (within the meaning of paragraph 15(2) or (3) of Schedule 28 to the 2004 Act).

(2) An election under this regulation may be made only—

(a) at the time M claims the pension under paragraph 4 of Schedule 3; and

(b) if M is not already entitled to payment of such a pension.

(3) Paragraph (2)(b) does not apply in the case of a pension payable under regulation 84.

(4) A pension provided as a result of the election must be calculated in accordance with tables prepared by the scheme actuary.

Amount of allocation

- 52.**—(1) An election under regulation 51 may not allocate more than one-third of the member's (M) relevant annual pension.
- (2) An election may not allocate an amount that would result in—
- (a) the allocated annual pension exceeding M's unallocated relevant annual pension;
 - (b) the allocated annual pension exceeding such amount as the scheme manager determines for the purposes of this paragraph—
 - (i) after consultation with the scheme actuary; and
 - (ii) having regard to any restrictions imposed under Part 4 of the 2004 Act; or

(3) A certificate under paragraph (1)(e) may be given only with the agreement of M's employing authority.

(4) A premature retirement pension is payable for life.

(5) A relevant member is a member who is not—

- (c) practice staff.

(6) Part 4 of Schedule 13 has effect in respect of the calculation of the amount of a premature retirement pension.

- (3) A certificate under paragraph (1)(e) may be given only with the agreement of M's employing authority.

- (6) If the additional contribution option applies, the payment of M's pension does not start until M's employing authority has at the same time—
- (a) remitted to the scheme manager M's contribution paid to the employing authority pursuant to regulation 32(6); and
 - (b) paid the contribution required under regulation 35(2).
- (7) Sub-paragraph (a) of paragraph (6) does not apply if—

Premature retirement entitlement day

83. The entitlement day for a premature retirement pension is the day immediately following the day on which M ceased to be employed in NHS employment.

CHAPTER 4

Partial retirement

Election for partial retirement (members over normal minimum pension age)

84.—(1) This regulation applies to a member (M) if—

- (a) M has reached normal minimum pension age;
- (b) M continues to be employed in an employment in which M is an active member;
- (c) M is qualified for retirement benefits;
- (d) the terms on which M holds or engages in the employment mentioned in sub-paragraph (b) change; and
- (e) as a result of the change, M is subject to a relevant reduction.

(2) In paragraph (1), M is subject to a relevant reduction if—

- (a) where M is neither a practitioner nor a non-GP provider, M's pensionable earnings in the employment mentioned in paragraph (1)(b) are reduced to 90% or less of the amount of M's pensionable earnings during the period of 12 months ending with the election day;
- (b) where M is a practitioner or a non-GP provider, M's engagement in the employment is reduced to 90% or less of its level during that period.

(3) If this regulation applies M may elect to claim immediate payment of pension as specified in the election pursuant to paragraphs (a) and (b)—

- (a) M must specify the percentage of pension M claims (the specified percentage);
- (b) M must specify whether M claims any additional pension to which M is entitled.

(4) The election must be exercised by notice in writing to the scheme manager in such form as the scheme manager determines and must be accompanied by—

- (a) where M is neither a practitioner nor a non-GP provider, a statement in writing by the employing authority that the conditions in paragraph (1)(d) and (e) are met;
- (b) where M is a practitioner or a non-GP provider—
 - (i) appropriate supporting evidence; and
 - (ii) a statement in writing by the host Board that the conditions in paragraph (1)(d) and (e) are met.

(5) The specified percentage must be such that—

- (a) the amount of the pension to which M becomes entitled as a result of the election—
 - (i) is not less than 20% of the pension that would have been payable if M had ceased to be employed in all of M's employments at the end of the election day; and
 - (ii) taken together with any increase to which M is entitled in consequence of the election, is not less than 0.05% of M's lifetime allowance on the election day;
- (b) the amount of the pension in respect of which M does not require immediate payment is not less than 20% of the amount that would have been payable if M had ceased to be employed in all of M's employments at the end of the election day.

(6) In applying paragraph (5)—

- (a) any additional pension to which M is entitled must be ignored; and

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(b) the amount in sub-paragraph (a) is the amount of the pension disregarding the effect of an application under regulation 77.

(7) An election under this regulation may be made on not more than two occasions and the scheme manager must take advice from the scheme actuary regarding—

- (a) any benefits to be paid after the first election (but before the second election);
- (b) any benefits to be paid after a second election; and
- (c) the final payment.

(8) If M was not an active member during the whole of the period of 12 months mentioned in paragraph (2)(a), that paragraph applies as if M's pensionable earnings during that period were—

$$PE \times \frac{365}{N}$$

where—

PE is M's pensionable earnings for the part of that period during which M was an active member; and

N is the number of days in that period on which M was an active member.

(9) In this regulation and regulations 85 to 89, the election day is the day before the relevant reduction takes effect.

Effect of election

85.—(1) This regulation applies if a member (M) makes an election under regulation 84.

(2) M is entitled—

- (a) if M has reached normal pension age, to immediate payment of the specified percentage of the pension to which M would be entitled by virtue of regulation 73(1) if M had ceased to be employed in one or more employments on election day;
- (b) if M has not reached normal pension age, to immediate payment of the specified percentage of the pension to which M would be entitled by virtue of regulation 79 if M had ceased to be employed in one or more employments on election day; and
- (c) if the election specifies that M claims immediate payment of additional pension, to the additional pension subject—
 - (i) where sub-paragraph (a) applies, to an increase of the same amount as would be made in that pension pursuant to paragraph 2 of Schedule 13 if M had ceased to be employed on the election day; and
 - (ii) where sub-paragraph (b) applies, to a reduction of the same amount as would have been made in that pension pursuant to regulation 79 if M had so ceased to be employed.

(3) For the purposes of this Part—

- (a) M is a pensioner member as respects—
 - (i) the pension to which M is immediately entitled as a result of making the election; and
 - (ii) the specified percentage of the pensionable service that pension represents, in respect of which M is an active member on the election day;
- (b) if M continues in pensionable service after the election day, M is an active member as respects—
 - (i) the pensionable service after that day in which M continues; and

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

- (ii) so much of the pensionable service in respect of which M is an active member as is not within sub-paragraph (a) (the unspecified service); and
- (c) if M does not continue in pensionable service after the election day, M is a deferred member as respects the unspecified service.

Terms of employment improve after election

86.—(1) This regulation applies if—

- (a) a member (M) has made an election under regulation 84(3);
- (b) during the period of 12 months beginning with the day following election day the terms on which M holds the employment (or employments) mentioned in regulation 84(1)(b) change again; and
- (c) as a result M is subject to a relevant increase.

(2) In paragraph (1) M is subject to a relevant increase if—

- (a) where M is neither a practitioner nor a non-GP provider, M's pensionable earnings in the employment (or employments) is increased to more than 90% of M's pensionable earnings during the period of 12 months ending with the election day;
- (b) where M is a practitioner or a non-GP provider, the level of M's engagement in the employment is increased to more than 90% of M's pre-change level.

(3) The amount of M's pension mentioned in regulation 85(2) is abated to zero from the first pension day following the day on which the relevant increase occurred.

(4) If, during the period of 12 months beginning with the day following election day, M enters further employment in which M is an active member—

- (a) the terms on which M holds the employment in respect of which the election was made (the election employment) are treated as having changed again; and
- (b) for the purpose of determining whether M is subject to a relevant increase—
 - (i) where M is a practitioner or a non-GP provider, M's level of engagement in the further employment is treated as engagement in the election employment; and
 - (ii) where M is neither a practitioner nor a non-GP provider, M's pensionable earnings in the further employment are treated as pensionable earnings from the election employment.

(5) Paragraph (3) does not apply if—

- (a) the only change to M's terms as mentioned in paragraph (1)(b) is to M's pensionable earnings;
- (b) the scheme manager considers that the annual rate of M's pensionable earnings at the time of the change would have exceeded the annual rate mentioned in paragraph (2)(a).

(6) If M was not an active member during the whole of the period of 12 months mentioned in paragraph (1)(b), that paragraph applies as if M's pensionable earnings during that period were—

$$PE \times \frac{365}{N}$$

where—

PE is M's pensionable earnings for the part of the period during which M was an active member; and

N is the number of days in the period on which M was an active member.

(7) In paragraph (2)(b), the pre-change level is the level of M's engagement in the employment during the period of 12 months ending on the election day.

Member becomes subject to reduction following abatement

87.—(1) This regulation applies if—

- (a) regulation 86 applies to a member (M) such that M’s pension is abated to zero pursuant to paragraph (3) of that regulation; and
- (b) M again becomes subject to a relevant reduction (within the meaning of regulation 84(2)).

(2) The scheme manager must restore the payment of M’s pension with effect from the first pension day immediately following the day on which M became subject to the relevant reduction as mentioned in paragraph (1)(b).

(3) The scheme manager must not act under paragraph (2) unless the scheme manager obtains and has regard to advice of the scheme actuary as to whether the amount of the pension should be adjusted in view of the length of time during which it was abated to zero.

Payment of pension after abatement

88.—(1) This regulation applies if—

- (a) a member’s (M) pension is abated pursuant to regulation 86(3); and
- (b) M’s pensionable earnings are not reduced in consequence of M again becoming subject to a relevant reduction as mentioned in regulation 87(2).

(2) M’s pension is payable by the scheme manager—

- (a) when M partially retires or retires again from pensionable employment; or
- (b) M attains the age of 75.

(3) For the purposes of paragraph (2), the scheme manager must—

- (a) have regard to any pension already paid, including any lump sum paid as a result of M making an application under regulation 77 (conversion of part of pension into lump sum); and
- (b) obtain advice from the scheme actuary.

Application of regulations 84 to 88: concurrent employments

89.—(1) This regulation applies if a person (M) is an active member in two or more employments held concurrently on the election day.

(2) Regulations 84 to 88 apply in relation to each of the employments as if it were the only employment held by M on that day, subject to the following modifications.

(3) In regulation 84—

(a) for paragraph (2)(a) substitute—

“(a) where M is neither a practitioner nor a non-GP provider, if the sum of the annual rate of M’s pensionable earnings in that employment and every other employment held by M on the election day is reduced to 90% or less of the sum of—

- (i) M’s pensionable earnings in the employment during the period of 12 months ending with the election day; and
- (ii) M’s pensionable earnings during that period in every other employment held by M on that day.”; and

(b) in paragraph (8), after “paragraph (2)(a)” insert “in respect of any of the employments held by M”.

(4) In regulation 86, for paragraph (2)(a) substitute—

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. - “(a) where M is neither a practitioner nor a non-GP provider, the annual rate of M’s pensionable earnings in the employment is increased to more than 90% of the sum of—
- (i) M’s pensionable earnings in the employment during the period of 12 months ending with the election day; and
 - (ii) M’s pensionable earnings during that period in every other employment held by M on that day.”.

(5) In the case of a practitioner or a non-GP provider, a reference to M’s employment is a reference to M’s pensionable service as a practitioner together with any concurrent NHS employment, and “terms of employment” must be construed accordingly.

CHAPTER 5

Ill-health pension

Entitlement to ill-health pension

- 90.**—(1) An active member (M) is entitled to immediate payment of—
- (a) an ill-health pension at Tier 1 (a Tier 1 IHP) if the Tier 1 conditions are satisfied in relation to M;
 - (b) an ill-health pension at Tier 2 (a Tier 2 IHP) if the Tier 2 conditions are satisfied in relation to M.
- (2) The Tier 1 conditions are that—
- (a) M has not attained normal pension age;
 - (b) M has ceased to be employed in NHS employment;
 - (c) the scheme manager is satisfied that M suffers from a physical or mental infirmity as a result of which M is permanently incapable of efficiently discharging the duties of M’s employment;
 - (d) M’s employment is terminated because of the physical or mental infirmity; and
 - (e) M has claims payment of the pension.
- (3) The Tier 2 conditions are that—
- (a) the Tier 1 conditions are satisfied in relation to M; and
 - (b) the scheme manager is also satisfied that M suffers from a physical or mental infirmity as a result of which M is permanently incapable of engaging in regular employment of like duration.
- (4) M is not entitled to payment of a pension under this regulation if M’s NHS employment is terminated because—
- (a) M is dismissed (unless the scheme manager is satisfied that the dismissal was because of M’s infirmity);
 - (b) M retires or resigns at a time when—
 - (i) M is subject to disciplinary proceedings; or
 - (ii) had been notified that such proceedings were being contemplated; or
 - (c) M otherwise retires or resigns, unless—
 - (i) at the time of doing so M’s employing authority has notified the scheme manager in writing that M’s physical or mental infirmity is the reason for the termination; and
 - (ii) the scheme manager is satisfied that is the case.
- (5) In paragraph (3)(b), “regular employment of like duration” means—

- (a) in the case of a practitioner or a non-GP provider, such employment as the scheme manager thinks would involve a similar level of engagement to M's current pensionable service as a practitioner or non-GP provider;
 - (b) in any other case, where prior to ceasing NHS employment, M was employed—
 - (i) on a whole-time basis, regular employment on a whole-time basis;
 - (ii) on a part-time basis, regular employment on a part-time basis, regard being had to the number of hours, half days and sessions M worked in the employment.
- (6) A pension under this regulation is payable for life: but see regulations 95 and 96.

Member's incapacity

91.—(1) For the purpose of determining whether a member (M) is permanently incapable of discharging the duties of M's employment efficiently, the scheme manager must—

- (a) have regard to the factors in paragraph (2), no one of which is to be decisive; and
 - (b) disregard M's personal preference for or against engaging in the employment.
- (2) The factors mentioned in paragraph (1)(a) are—
- (a) whether M has received appropriate medical treatment in respect of the infirmity;
 - (b) M's mental capacity;
 - (c) M's physical capacity;
 - (d) the type and period of rehabilitation it would be reasonable for M to undergo in respect of the infirmity, regardless of whether M has undergone the rehabilitation; and
 - (e) any other matter the scheme manager thinks appropriate.
- (3) For the purpose of determining whether M is permanently incapable of engaging in regular employment of like duration as mentioned in paragraph (3)(b) of regulation 90, the scheme manager must—

- (a) have regard to the factors in paragraph (4), no one of which is to be decisive; and
 - (b) disregard the factors in paragraph (5).
- (4) The factors mentioned in paragraph (3)(a) are—
- (a) whether M has received appropriate medical treatment in respect of the infirmity;
 - (b) such reasonable employment as M would be capable of engaging in if due regard is given to—
 - (i) M's mental capacity;
 - (ii) M's physical capacity;
 - (iii) M's previous training; and
 - (iv) M's previous practical, professional and vocational experience, irrespective of whether or not such employment is available to M.
 - (c) the type and period of rehabilitation it would be reasonable for M to undergo in respect of the infirmity, regardless of whether M has undergone the rehabilitation, having regard to—
 - (i) M's mental capacity; and
 - (ii) M's physical capacity;
 - (d) the type and period of training it would be reasonable for M to undergo in respect of the infirmity, regardless of whether M has undergone the training, having regard to—
 - (i) M's mental capacity;
 - (ii) M's physical capacity;

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. - (iii) M's previous training; and
 - (iv) M's previous practical, professional and vocational experience; and
 - (e) any other matter the scheme manager thinks appropriate.
- (5) The factors mentioned in paragraph (3)(b) are—
- (a) M's personal preference for or against engaging in any particular employment; and
 - (b) the geographical location of M.
- (6) In this regulation—
- “appropriate medical treatment” means such medical treatment as it would be normal to receive in respect of the infirmity, but does not include any treatment that the scheme manager considers—
- (a) that it would be reasonable for M to refuse;
 - (b) would provide no benefit to restoring M's capacity for—
 - (i) discharging the duties of M's employment efficiently for the purposes of paragraph (2)(c) of regulation 90; or
 - (ii) engaging in regular employment of like duration for the purposes of paragraph (3)(b) of that regulation;
 - (c) that, through no fault on the part of M, it is not possible for M to receive before M reaches normal pension age.
- “permanently” means until M attains M's prospective normal pension age; and
- “regular employment of like duration” has the same meaning as in regulation 90.

Annual rate of ill-health pension

- 92.**—(1) The annual rate of Tier 1 IHP payable to a member (M) is found by—
- (a) taking the amount of full retirement earned pension specified in M's pensioner member's account;
 - (b) subtracting the conversion amount (if any) specified in that account in relation to that amount; and
 - (c) adding the amount of accrued additional pension (if any) calculated in accordance with regulation 70(3)(b) less the conversion amount (if any) specified in the account in relation to the additional pension.
- (2) The annual rate of Tier 2 IHP payable to M is the sum of—
- (a) the annual rate of Tier 1 IHP; and
 - (b) the Tier 2 addition.
- (3) The Tier 2 addition is found by applying the following formula:

$$\frac{A \times (C + E)}{C} - A$$

where—

A is the aggregate of the amounts of all of M's pensions from pensionable service on the day after M's last day of pensionable service (L+1)—

- (i) disregarding any additional pension; and
- (ii) including any increases applied by virtue of the Pensions (Increase) Act 1971;

C is the total period of pensionable service counted in days over which the pensions aggregated to find A were accrued; and

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

E is the period counted in days equal to 50% of the length of the period starting on L+1 and ending on M's ~~the day before M reaches~~ prospective normal pension age, and any part of a day must be taken to be a whole day.

Re-assessment of entitlement

93.—(1) This regulation applies if—

- (a) in respect of a member (M) the scheme manager is satisfied as mentioned in regulation 90(2)(c); and
- (b) at the time M is awarded a pension the scheme manager gives M notice in writing as mentioned in paragraph (2).

(2) The notice is that M's case may be considered once within a period of three years beginning with the date of the award to determine whether, at the date of the consideration, M meets the condition in regulation 90(3)(b).

(3) M may apply to the scheme manager for a review of whether M subsequently meets the condition in regulation 90(3)(b) if—

- (a) M makes the application in writing no later than the relevant date;
- (b) the application is accompanied by further written medical evidence—
 - (i) relating to whether, at the date of the scheme manager's review, M has the physical or mental infirmity mentioned in regulation 90(3)(b); and
 - (ii) that relates to the same physical or mental infirmity as a result of which M met the condition in regulation 90(2)(c);
- (c) no previous application for a review has been made under this paragraph; and
- (d) M has not become entitled to a Tier 2 IHP in respect of any later service under regulation 97.

(4) The relevant date in paragraph (3)(a) is—

- (a) the last day of the period of three years after the giving of notice under paragraph (1)(b); or
- (b) if M engages in further NHS employment during that period, the first anniversary of the day on which the employment commences or, if sooner, the last day of that period.

(5) If, after considering the further medical evidence the scheme manager determines that M has the physical or mental infirmity for the purposes of regulation 90(3)(b), with effect from the date the determination is made, M—

- (a) ceases to be entitled to a Tier 1 IHP; and
- (b) becomes entitled to a Tier 2 IHP.

(6) If a determination is made under paragraph (5), in calculating the Tier 2 addition pursuant to regulation 92(3), in the explanation of factor E for "period starting on L+1" substitute "period starting on day of the determination under regulation 93(5)".

Early retirement on ill-health (deferred members)

94.—(1) A deferred member (DM) is entitled to immediate payment of a pension if—

- (a) DM is not in NHS employment;
- (b) DM has not attained normal pension age;
- (c) the scheme manager is satisfied that DM suffers from physical or mental infirmity as a result of which DM is permanently incapable of engaging in regular employment of like duration; and
- (d) DM claims payment of the pension.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

- (2) DM is entitled to immediate payment of a pension if—
- (a) DM is in NHS employment;
 - (b) DM has not attained normal pension age;
 - (c) the scheme manager is satisfied that DM—
 - (i) is not within ~~paragraph (1)(b)~~ **paragraph (1)**; but
 - (ii) suffers from a physical or mental infirmity as a result of which DM is permanently incapable of discharging the duties of DM's employment efficiently; and
 - (d) DM leaves the employment and claims payment of the pension.
- (3) The amount of a pension payable under this regulation is found by applying regulation 92(1) as if—
- (a) a reference to M is a reference to DM; and
 - (b) the pension under this regulation is a Tier 1 IHP.
- (4) Regulation 91 applies for the purposes of this regulation as if—
- (a) a reference to M is a reference to DM; and
 - (b) a reference to regular employment of like duration is a reference to such employment for the purposes of paragraph (1)(c).

Effect of re-employment on Tier 2 IHP

- 95.**—(1) This regulation applies if a member (M)—
- (a) is entitled to a Tier 2 IHP under regulation 90 in respect of earlier service;
 - (b) did not opt to exchange the pension for a lump sum in accordance with regulation 109; and
 - (c) has re-entered employment (M's further employment).
- (2) M continues to be entitled to a Tier 2 IHP if M's further employment—
- (a) is not NHS employment; and
 - (b) is an excluded employment.
- (3) M continues to be entitled to a Tier 2 IHP during the initial period if M's further employment—
- (a) is NHS employment; and
 - (b) is an excluded employment.
- (4) M ceases to be entitled to a Tier 2 IHP and is treated as being entitled to a Tier 1 IHP if—
- (a) M's employment—
 - (i) is not NHS employment; and
 - (ii) is not an excluded employment; or
 - (b) during the initial period, M's employment—
 - (i) is NHS employment; and
 - (ii) is not an excluded employment; or
 - (c) after the initial period, M's employment is NHS employment.
- (5) As regards further employment in NHS employment—
- (a) paragraph (4)(c) applies from the first day on which payment of a Tier 1 IHP falls after the first anniversary of M's re-entry into NHS employment, whether or not that day is part of a continuous period of further NHS employment beginning with entry into that employment;

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. - (b) M may not re-join the scheme in respect of that employment or any other NHS employment until after the first anniversary of M's re-entry into NHS employment, whether or not that or any other NHS employment is an excluded employment.
- (6) For the purposes of this regulation—
 - (a) an employment is an excluded employment at any time in a tax year, in relation to M, if M's earnings from the employment and any other employments are such that the lower earnings limit for that year is not exceeded;
 - (b) for the purposes of paragraph (4) an employment that has been an excluded employment in a tax year is not treated as ceasing to be such an employment until the first day following the end of the pension pay period for the Tier 2 IHP in which the limit described in sub-paragraph (a) is first exceeded; and
 - (c) "the initial period" means the period of 12 months beginning with the day on which M first enters an employment which results in this regulation applying.
- (7) M must—
 - (a) notify the scheme manager if M is in NHS employment at the end of the initial period;
 - (b) notify the scheme manager if M's aggregate earnings for the purposes of national insurance from employments held in a tax year are such that the lower earnings limit for that year is exceeded; and
 - (c) provide the scheme manager or any other person specified by the scheme manager with such further information as the scheme manager specifies concerning any further employment.
- (8) In this regulation—
 - (a) the lower earnings limit must be read in accordance with section 5 of the Social Security Contributions and Benefits Act 1992;
 - (b) "tax year" means a year of assessment for income tax purposes.

 - (b) has ceased to be entitled to a Tier 2 IHP by virtue of regulation 95(4).
- (2) M may apply to the scheme manager under this regulation to become entitled to a Tier 2 IHP if—
- (a) M is in further NHS employment and ceases to be employed at all during the initial period; or
 - (b) M is in further employment that is not NHS employment and ceases to be employed in that further employment within a period of one year beginning with the day on which the further employment ceased to be an excluded employment.
- (3) An application to which paragraph (2)(a) applies must—
- (a) state that M has ceased to be employed at all;
 - (b) be made within the initial period;
 - (c) be in writing and be accompanied by evidence from a registered medical practitioner that M has the physical or mental infirmity mentioned in regulation 90(3)(b).
- (4) An application to which paragraph (2)(b) applies must—
- (a) state that M has ceased to be employed at all;
 - (b) be made within the period of one year beginning with the day on which the employment ceased to be an excluded employment;

- (c) be in writing and be accompanied by evidence from a registered medical practitioner that M has the physical or mental infirmity mentioned in regulation 90(3)(b).
- (5) If the scheme manager is satisfied that M has the physical or mental infirmity mentioned in regulation 90(3)(b), from the day following that on which M's last employment ceased—
 - (a) M ceases to be treated as entitled to the Tier 1 IHP; and
 - (b) M becomes entitled to a Tier 2 IHP in respect of the earlier service.
- (6) Expressions used in this regulation and in regulation 95 have the same meaning as in that regulation.

97.—(1) This regulation applies to a member (M) if M is entitled to a Tier 1 IHP in respect of M's earlier service.

- (2) M is entitled to the benefits in paragraph (3) if—

- (2) The kinds of member are—

- (a) pension benefits are payable to the member (or to a person to whom the member has elected to allocate a pension under regulation 51) as if the member were two or more members of the kind in question (so that two or more pensions or lump sums are payable in respect of one member); and
 - (b) the amounts payable are determined accordingly.
- (4) If a person who is a pension credit member is entitled to two or more pension credits—
- (a) benefits are payable to the member under this scheme as if the member were two or more persons, each being entitled to one of the pension credits (so that two or more pensions or lump sums are payable in respect of one pension credit member); and
 - (b) the amounts payable are determined accordingly.

Deferred pension becomes payable during NHS re-employment following transfer of undertaking

99.—(1) A member is not prevented from becoming entitled to a relevant pension because of continuing NHS employment if—

- (a) the member is an active member in the NHS employment which is employment into which the member has been transferred as a result of a transfer of an undertaking to the employing authority; and
- (b) the member is a deferred member in respect of pensionable service that ceased before the member commenced the employment mentioned in sub-paragraph (a).

(2) Benefits payable in respect of new employment (within the meaning of regulation 101(3)) are calculated without regard to pensionable service in respect of the old employment (within the meaning of that regulation).

(3) A relevant pension is a pension in respect of the pensionable service referred to in paragraph (1)(b).

Retirement benefits for members with more than one employment

100.—(1) This regulation applies to a member (M) who is in receipt of pensionable earnings in respect of two or more employments each of which is attributable to M belonging to any of groups A to C in the table in regulation 27(1).

(2) Subject to paragraphs (4) and (5), M does not become entitled to a pension under any of the regulations specified in paragraph (3) until—

- (a) the termination of all of M's NHS employments (including employment as a practitioner), or
- (b) M reaches the age of 75.

(3) The regulations are—

- (a) regulation 73;
- (b) regulation 79;
- (c) regulation 81;
- (d) regulation 82;
- (e) regulations 90 to 97.

(4) Paragraph (5) applies if M—

- (a) leaves employment (“past employment”) with one employing authority; and
- (b) in relation to the past employment, becomes entitled to a pension under regulation 81 or 82.

(5) M may elect—

- (a) to take benefits only in respect of the past employment; and
 - (b) to continue to accrue rights in respect of any other continuing pensionable employment.
- (6) If M elects as mentioned in paragraph (5), paragraph (2) applies in relation to an employment in respect of which M continues to accrue rights to benefits.
- (7) Chapter 7 of Part 5 applies if M becomes entitled to a pension under paragraph (5) while continuing in other NHS employment.
- (8) Paragraphs (9) and (10) apply if—

 - (b) terminated concurrent employment as a practitioner not more than 12 months before becoming entitled to the pension.
- (9) M is not entitled to receive a pension under regulation 81 or 82 in respect of any employment as practitioner, but is entitled only to receive a pension in respect of that employment pursuant to regulation 73 or 79.
- (10) M may exercise a right to transfer out under Section 2 of Chapter 2 of Part 7 only if M leaves all pensionable service—
- (a) before reaching normal pension age; and
 - (b) before becoming entitled to a pension under this scheme.

CHAPTER 7

Abatement on re-employment

Application of Chapter

- 101.**—(1) This Chapter applies if—
- (a) a person who is a pensioner member of this scheme is employed in NHS employment;
 - (b) the pensioner member's employment is not employment to which the pensioner member was transferred as a result of a transfer of an undertaking to the pensioner member's employer;
 - (c) the pensioner member's pension is a pension under—
 - (i) regulation 90;
 - (ii) regulation 94; or
 - (iii) regulation 81; and
 - (d) the pensioner member has not reached normal pension age.
- (2) In this Part "NHS employment" includes—
- (a) employment in which a person of a category or description listed in Schedule 6 is engaged if the scheme manager has made a determination under section 25(5) of the 2013 Act in respect of the person; and
 - (b) employment to which a corresponding health service scheme applies.
- (3) In this Chapter—
- (a) a person to whom this Chapter applies is referred to as an "employed pensioner";
 - (b) the pension to which the employed pensioner is entitled is referred to as the "old service pension";
 - (c) the employment in respect of which the pension is payable is referred to as the "old employment";
 - (d) the employment in which the employed pensioner is employed is referred to as the "new employment".

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(4) For the purposes of this Chapter it is immaterial whether or not the employed pensioner is an active member of this scheme in the new employment.

(5) This Chapter does not apply to a person who is a pensioner member of this scheme if—

- (a) the person is employed by an independent provider—
 - (i) on the day the provider's status as an employing authority takes effect in accordance with regulation 152 (the effective date); and
 - (ii) on the day immediately before the effective date; and
- (b) any of paragraphs (6) to (8) apply to the person.

(6) This paragraph applies to a person who is not eligible to be an active member of this scheme on the effective date and remains ineligible to be such a member.

(7) This paragraph applies to a person who exercises an option not to re-join this scheme which takes effect from the effective date and has not been cancelled.

(8) This paragraph applies to a person who—

- (a) is not eligible to re-join this scheme on the effective date;
- (b) becomes eligible to do so on the day immediately after the first anniversary of the person entering NHS employment in accordance with regulation 95(5)(b) (the eligibility day); and
- (c) exercises an option not to re-join this scheme that takes effect from the eligibility day which has not been cancelled.

Information

102.—(1) A person who becomes an employed pensioner must—

- (a) inform the employed pensioner's employer in the new employment and any other specified person that the old service pension is payable; and
- (b) where requested, provide specified information about the employed pensioner's relevant income in the new employment to the scheme manager or a specified person.

(2) A person who ceases to be an employed pensioner in one new employment and becomes an employed pensioner in another new employment must—

- (a) inform the person's employer in the other new employment, and any specified person that the old service pension is payable;
- (b) where requested, provide specified information about the employed pensioner's relevant income in the other new employment to the scheme manager or a specified person.

(3) In this regulation, "specified" means specified by the scheme manager.

(4) Relevant income must be construed in accordance with regulation 104.

Reduction of pension

103.—(1) If the condition in paragraph (2) is met, the amount of the old service pension for a scheme year is reduced.

(2) The condition is that the employed pensioner's relevant income for the scheme year exceeds the employed person's previous earnings.

(3) The amount of the reduction under paragraph (1)—

- (a) is equal to the excess; but
- (b) must not exceed the enhancement amount.

(4) Relevant income and the enhancement amount must be construed in accordance with regulation 104.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(5) Previous earnings must be construed in accordance with regulations 105 and 106.

(6) For the purpose of calculating the reduction to be made under paragraph (1) in respect of any part of a scheme year, the amount of the employed pensioner's previous earnings must be reduced proportionately.

(7) If the employed pensioner has a guaranteed minimum under section 14 of the 1993 Act in relation to the old service pension, nothing in this regulation requires the reduction of that pension below the amount of the guaranteed minimum.

Relevant income and enhancement amount

104.—(1) An employed pensioner's relevant income for a scheme year is the aggregate of—

- (a) the amount of earnings received by the employed person during the year from the new employment; and
- (b) the enhancement amount.

(2) The enhancement amount is the difference between—

- (a) the amount of the old service pension for that scheme year; and
- (b) the amount the pension would have been had it been payable under regulation 79 (early retirement).

(3) If the old service pension is payable under regulation 90 or 94 (ill-health pensions) to an employed pensioner who had not attained normal minimum pension age at the time when entitlement to the pension arose, for the purposes of paragraph (2)(b)—

- (a) the fact that entitlement to a pension under regulation 79 depends on reaching that age is ignored; but
- (b) the employed pensioner's actual age at the relevant time is taken into account in determining the reduction to be made under Part 3 of Schedule 13.

(4) If the old service pension is an ill-health pension at Tier 2, for the purposes of paragraph (2)(b), only the employed pensioner's actual pensionable service at the time when entitlement to the pension arose is taken into account in determining the amount that would have been payable under regulation 79.

(5) If the employed pensioner exercised the option under regulation 77 (conversion of part of pension into lump sum) in relation to the old service pension, the resulting reduction in the pension is ignored for the purposes of this regulation.

(6) If the employed pensioner exercised the option under regulation 51 (election to allocate pension) in relation to the old service pension, the resulting reduction is taken into account for the purpose of this regulation.

(7) References to the amount of a pension for a scheme year are to its amount for that year after any increases payable in respect of the pension under the Pensions (Increase) Act 1971, including increases that would have been payable in respect of an amount not paid because of a reduction ignored under paragraph (5).

(8) For the purposes of paragraph (1)(a), the employed pensioner is assumed to be an active member of this scheme in the new employment.

Previous earnings: general

105.—(1) For the purposes of this Chapter, an employed pensioner's previous earnings is construed in accordance with this regulation.

(2) If the employed pensioner's old employment was neither as a practitioner nor as a non-GP provider, the previous earnings is the greater of—

- (a) the optimum re-valued pensionable earnings in the old employment; and

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(b) the annual rate of pay for the old employment at the time it ceased.

(3) If the employed pensioner's old employment was as a practitioner or non-GP provider the previous earnings is the average of the annual amounts of the person's re-valued pensionable earnings in respect of practitioner service.

(4) The optimum re-valued pensionable earnings is the re-valued pensionable earnings for the scheme year in the earnings reference period for which the employed pensioner has the greatest amount of re-valued pensionable earnings.

(5) The annual rate of pay is the sum of—

(a) the annual rate of so much of the employed pensioner's pensionable earnings immediately before the old service pension became payable as consisted of salary, wages, or other regular payments of a fixed nature; and

(b) so much of any fees and other regular payments not of a fixed nature as—

(i) was payable to the employed pensioner during the period of 12 months ending with the day the old employment ceased, and

(ii) formed part of the employed pensioner's pensionable earnings.

(6) The amount to be taken as the employed pensioner's previous earnings must be adjusted in each scheme year by increasing it by the same amount as that by which an annual pension equal to that amount would have been increased under the Pensions (Increase) Act 1971 at 6th April in that scheme year if—

(a) the pension was eligible to be so increased; and

(b) the beginning date for the pension were the same as the beginning date for the old service pension.

(7) In this regulation and regulation 106—

“re-valued pensionable earnings” means, in relation to each scheme year in the earnings reference period, the pensionable earnings for that year increased up to the beginning date for the old service pension by the rate of change in prices specified by the Treasury by order under section 9 of the 2013 Act; and

“the earnings reference period” is the period ending on the last day of the scheme year immediately preceding the scheme year in which the employed pensioner left the old employment and starting on the later of—

(a) the first day of the scheme year in which the employed pensioner first joined this scheme; and

(b) the first day of the tenth scheme year preceding the scheme year in which the employed pensioner left the old employment.

(8) In paragraph (6) the beginning date, in relation to a pension, is the date on which it is deemed to begin for the purposes of the Pensions (Increase) Act 1971 (see section 8(2) of that Act).

Previous earnings: continuing and concurrent employments

106.—(1) This regulation applies if an employed pensioner has held one or more other NHS employments at the same time as the old employment.

(2) If the employed pensioner's old employment was neither as a practitioner nor as a non-GP provider, the previous earnings is the amount determined under regulation 105 increased as follows—

(a) if the person holds a continuing non-practitioner employment on becoming entitled to the old service pension, the increase is the annual rate of earnings in respect of the continuing employment;

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

- (b) if the person holds a continuing practitioner employment on becoming entitled to the old service pension, the increase is the average of the annual amounts of the person's re-valued pensionable earnings in respect of practitioner employment.
- (3) If the employed pensioner's old employment was as a practitioner, the previous earnings is the amount determined under regulation 105 increased as follows—
- (a) if the person becomes entitled to receive simultaneously a pension in respect of rights accrued from non-practitioner employment, the increase is the amount of previous earnings in respect of the non-practitioner employment;
 - (b) if the person holds a continuing non-practitioner employment on becoming entitled to the old service pension, the increase is the annual rate of earnings of the continuing employment.
- (4) Paragraph (5) applies if—
- (a) the employed pensioner held a part-time pensionable employment immediately before the old service pension becomes payable;
 - (b) in the 12 months preceding the date on which the old service pension becomes payable the person held concurrent part-time pensionable employment; and
 - (c) the employment mentioned in paragraph (b) terminated before the old service pension becomes payable.
- (5) The employed pensioner's previous earnings are increased by—
- (a) the annual rate of earnings in respect of the concurrent part-time pensionable employment; or
 - (b) if higher, that part of the pensionable earnings for the employment which is attributable to any part of the period of 12 months mentioned in paragraph (4)(b).
- (6) Paragraph (7) applies if—
- (a) in the period of 12 months before the date on which the old service pension becomes payable the employed pensioner was in pensionable employment as a practitioner; and
 - (b) the pensionable employment terminated before the old service pension became payable.
- (7) The previous earnings are increased by the average of the annual amounts of the person's re-valued pensionable earnings in respect of the employment mentioned in paragraph (6).
- (8) Paragraph (9) applies if—
- (a) a practitioner becomes entitled to payment of a pension under this scheme;
 - (b) in the 12 months before the entitlement arises the practitioner held concurrent pensionable non-practitioner employment; and
 - (c) the employment is terminated before the pension becomes payable.
- (9) The previous earnings are increased by—
- (a) the annual rate of earnings in respect of the employment mentioned in paragraph (8); or
 - (b) if higher, that part of the pensionable earnings for the employment which is attributable to any part of the period of 12 months mentioned in paragraph (8)(b).
- (10) Non-practitioner employment is employment which is neither as a practitioner nor as a non-GP provider, and references to practitioner employment must be construed accordingly.
- (11) Continuing employment is pensionable employment—
- (a) which a person held immediately before becoming entitled to payment of a pension under this scheme; and
 - (b) which the person continues to hold whether it is pensionable or not.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

Multiple pensions

107.—(1) This regulation applies if an employed pensioner is entitled to more than one old service pension within regulation 101(1)(c) in a scheme year.

(2) In regulation 103, for paragraphs (1) and (2) substitute—

“(1) If the condition in paragraph (2) is met, the amount of the old service pensions for a scheme year are reduced.

(2) The condition is that the employed pensioner’s relevant income for the scheme year exceeds the employed person’s previous earnings for all old employments.

(2A) The amount of the reduction under paragraph (1) in the case of each of the pensions is equal to the same proportion of the excess as the amount of the pension for the scheme year before the reduction bears to the sum of the pensions for that year before the reduction.”.

(3) In regulation 104—

(a) for paragraph (2) substitute—

“(2) The enhancement amount is the difference between—

(a) the aggregate amount of all old service pensions for that scheme year, and

(b) the aggregate amount all of those pensions would have been if they had each been payable under regulation 79 (early payment of pension with actuarial reduction).”;

(b) subsequent references to the old service pension must be taken as references to every old service pension to which the substituted paragraph (2) applies.

(4) Regulation 108 applies as if references to an old service pension were references to every such pension.

Adjustment of reductions

108.—(1) If the old service pension for a scheme year is being reduced under this Chapter, the scheme manager must review the amount of the reduction—

(a) at the end of the scheme year; and

(b) at any time during the scheme year if it appears to the scheme manager that—

(i) the amount of the reduction made for the year is, or may become, incorrect; or

(ii) no reduction should be made.

(2) If at any time during the scheme year it appears to the scheme manager as mentioned in paragraph (1)(b), the scheme manager must make such adjustments as appear to be required, whether by—

(a) altering the amount of the reduction; or

(b) repaying to the employed pensioner any amount that should not have been deducted from the pension.

(3) If at the end of the scheme year it is apparent that—

(a) the reduction in the old service pension for the year was excessive; or

(b) no such reduction should have been made,

the scheme manager must repay the amount due to the employed pensioner.

(4) If at the end of the scheme year it is apparent that the old service pension paid for the year exceeded the amount due because the reduction in the old service pension required under regulation 103 was not made, the employed pensioner must repay the excess to the scheme manager.

(5) Paragraph (4) does not affect the right of the scheme manager to recover a payment or overpayment which is due.

Warning: this text has been prepared by Department of Health officials. CHAPTER 8

Serious ill health option

Option for members in serious ill health to exchange pension for lump sum

109.—(1) An active member, a deferred member or a pension credit member may opt to exchange a relevant pension for a lump sum if the scheme manager is satisfied that the conditions for the lump sum to be a serious ill-health lump sum for the purposes of the 2004 Act will be met (see paragraph 4 of Schedule 29 to that Act).

(2) For the purposes of paragraph (1), a “relevant pension” is a pension payable to that member under regulation 73, 76, 90 or 94.

(3) The option may only be exercised—

- (a) in the case of a pension payable under regulation 73 or 76, before or at the time when the pension becomes payable;
- (b) in the case of a pension payable under regulation 90 or 94, before the pension becomes payable to the member.

(4) An active member who has reached normal pension age who exercises the option is to be paid, as soon as is reasonably practicable, an amount equal to the sum of—

- (a) the maximum lump sum to which the member could have become entitled on exercising the option under regulation 77 if at the appropriate time the member had become entitled to a pension under regulation 73; and
- (b) the annual rate of the pension to which the member would have been entitled under regulation 73 after exercising that option, multiplied by 5.

(5) An active member entitled to a pension under regulation 90 who exercises the option is to be paid, as soon as is reasonably practicable, an amount equal to the sum of—

- (a) the maximum lump sum to which the member could have become entitled on exercising the option under regulation 77 at the appropriate time; and
- (b) the annual rate of the pension to which the member is entitled under regulation 90 after exercising that option, multiplied by 5.

(6) A pension credit member entitled to a pension under regulation 76 who exercises the option is to be paid as soon as reasonably practicable, amount equal to the sum of—

- (a) the maximum lump sum (if any) to which the pension credit member could have become entitled on exercising the option under regulation 77 at the appropriate time; and
- (b) the total annual amount of the pension to which the pension credit member is entitled under regulation 76 after exercising the option multiplied by 5.

(7) A deferred member entitled to a pension under regulation 94 who exercises the option is to be paid, as soon as is reasonably practicable, an amount equal to the sum of—

- (a) the maximum lump sum to which the member could have become entitled on exercising the option under regulation 77 at the appropriate time; and
- (b) the annual rate of the pension to which the member is entitled under regulation 94 after exercising that option, multiplied by 5.

(8) “The appropriate time” means—

- (a) for the purposes of paragraphs (4) and (6), the time when the option under this regulation is exercised; and
- (b) for the purposes of paragraphs (5) and (7), the time payment of the pension under regulation 90 or, as the case may be, 94 would otherwise first be due.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(9) References to the annual rate of a pension are to the amount of the annual pension to which the member would be entitled, together with any increases payable under the Pensions (Increase) Act 1971, calculated as at the appropriate time.

(10) The option under this regulation may only be exercised by notice in writing to the scheme manager in such form as the scheme manager requires.

CHAPTER 9

Contracting out obligations

Guaranteed minimum pension etc.

110.—(1) If a member (M) has a guaranteed minimum under section 14 of the 1993 Act in relation to benefits under this scheme, nothing in these Regulations—

- (a) permits or requires anything that would cause requirements made by or under that Act in relation to M and M's rights under this scheme not to be met in the case of M; or
- (b) prevents anything from being done which is necessary or expedient for the purposes of meeting such requirements in the case of M.

(2) Paragraph (3) applies if apart from this regulation—

- (a) no pension would be payable to M under this scheme; or
- (b) the weekly rate of the pensions payable would be less than the guaranteed minimum.

(3) Where this paragraph applies, as the case may be—

- (a) a pension at a weekly rate equal to the guaranteed minimum is payable to M for life from the date on which M reaches State pension age; or
- (b) pensions, the aggregate weekly rate of which is equal to the guaranteed minimum, are so payable.

(4) If—

- (a) on reaching State pension age M is still in employment (whether or not it is scheme employment); and
- (b) if it is not scheme employment, M consents to a postponement of M's entitlement under paragraph (3),

paragraph (3) does not apply until M leaves employment.

(11) In this regulation—

- (a) "scheme employment", in relation to a member, means employment in the employment by virtue of which the member is eligible for membership of this scheme; and
- (b) references to the amount of a pension are to its amount—
 - (i) disregarding any additional pension;
 - (ii) after the subtraction of any amount exchanged under regulation 77 (option to exchange part of pension for lump sum); and

Amount of pension: survivor of active member

115.—(1) This regulation applies in relation to the surviving adult dependant of an active member.

(2) Paragraph (4) applies in respect of a pension payable during the initial period if the amount found under that paragraph is greater than the amount payable if this paragraph did not apply.

(3) In any other case, the rate of pension is determined by whichever paragraphs (5), (6) and (8) applies to the member.

(4) The rate of pension payable under regulation 113 is equal to—

- (a) if the member was in non-practitioner employment, the rate of the member's pensionable earnings at the time of death;

(5) If the member dies with not less than 2 years of qualifying service, the annual amount of pension payable under regulation 113 is equal to—

(b) sub-paragraph (a) does not apply if—

- (a) disregarding the amount of any additional pension taken into account for the purposes of paragraph 1(d) of Schedule 13; and
- (b) if the member had made an additional pension election under regulation 55(3)(b) (self and survivor), adding 37.5% of that amount;

- (b) if the member had made an additional pension election under regulation 55(3)(b) (self and survivor), 37.5% of the amount of the additional pension to which the member was entitled at the date of death.

(5) In calculating the amount of a pension pursuant to paragraph (3) the following must be ignored—

(2) The rate of the pension payable to the surviving adult dependant is equal to 33.75% of the member's notional Tier 2 IHP.

(3) In the case of any other deferred member, the rate of pension payable is 33.75% of the amount of pension the member would have received if, at the date of death, the member had become entitled to a pension under regulation 73—

where—

FP is the amount of full retirement earned pension which, if at the date of death the deceased had become entitled to an ill-health pension, would be specified in the pensioner member's account;

~~138.—(1) If Chapter 4 of Part 4 of the 1993 Act applies to a member (M), M may require the scheme manager to apply the guaranteed cash equivalent transfer value payment only in one of the ways permitted under section 95 of that Act.~~

(3) The whole of the guaranteed cash equivalent transfer value payment must be applied, unless paragraph (4) applies.

(4) Benefits attributable to—

- (a) M's DM's accrued rights to a guaranteed minimum pension; or
- (b) M's DM's accrued rights attributable to service in a contracted-out employment (within the meaning of section 8 of the 1993 Act) on or after 6 April 1997,

may be excluded from the guaranteed cash equivalent payment if section 96(2) of the 1993 Act applies (trustees or managers of certain receiving schemes or arrangements able and willing to accept a transfer payment only in respect of the members other rights).

(5) A transfer payment may be made only to—

- (a) a pension scheme (other than a connected scheme) that is registered under Chapter 2 of Part 4 of the 2004 Act; or

- (a) M's prospective normal pension age;
- (b) advice from the scheme actuary.

(3) If the amount calculated in accordance with paragraph (1) or (5) is less than M's minimum transfer value (if any), the amount of the transfer value payment is to be equal to that value.

(4) In paragraph (3) "minimum transfer value" means the sum of—

- (a) any transfer value payments that have been made to this scheme in respect of M as a result of which M is entitled to count any pensionable service under this scheme by reference to which the accrued rights subject to the transfer are calculated; and
- (b) any contributions paid by M under Part 4 as a result of which M is entitled to count such service.

(5) If the transfer is a club transfer, the amount of the transfer value payment is calculated in accordance with the club transfer arrangements rather than paragraph (1).

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(6) If a club transfer value is paid later than 6 months after the guarantee date, the amount of the club transfer value as specified in the statement of entitlement must be increased if necessary so that it is equal to the amount it would have been if the guarantee date had been the date on which the payment is made.

160.—(1) An independent provider may withdraw from employing authority status in this scheme in accordance with this regulation.

(2) The independent provider must give notice to the scheme manager (a withdrawal notice) that it intends to cease to be an independent provider for the purposes of these Regulations with effect from the date specified in the notice (the withdrawal date).

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(3) A withdrawal notice that affects a person who has become a member of this scheme by virtue of regulation 18(1)(c) must not be given unless the person gives consent in writing to the independent provider.

(4) The withdrawal date must not be earlier than the end of the period of six months starting with the date of the withdrawal notice (the withdrawal period).

(5) A withdrawal notice must—

- (a) be in writing; and
- (b) be accompanied by evidence of the consent required under paragraph (3).

(6) A withdrawal notice has effect in respect of every qualifying contract to which the independent provider is a party.

Change from open approval to closed approval basis

(3) A modification notice must—

- (a) be in writing;
- (b) specify a date on which the modification is to take effect (“the operative modification date”): that date cannot fall within the period of 6 months commencing with the date of the modification notice (“the modification period”);
- (c) be accompanied by the written consent of any affected person who has consented to the giving of that notice: for these purposes an “affected person” is any person who became a member of this scheme by virtue of regulation 18(1)(c).

(4) On the operative modification date—

- (a) section 14 (information about benefits) of the 2013 Act; and
- (b) any Treasury directions given from time to time pursuant to that section.

(2) Sub-paragraph (1) does not provide a right for an active member to request a benefit information statement.

(3) A benefit information statement provided pursuant to sub-paragraph (1) is to be treated as though it is the information mentioned in regulation 16(2)(a) of the Occupational and Personal Pension Schemes (Disclosure of Information) Regulations 2013 for the purposes of determining whether or not information must be given under regulation 16(1) of those Regulations.

PART 2

Claims and payments

Claims for benefits

4.—(1) A person claiming to be entitled to benefits under these Regulations (“the claimant”) must make a claim in writing to the scheme manager.

(2) Pursuant to such a claim, the claimant and, where appropriate, the member’s employing authority (including any previous employing authority of the member) must provide such—

- (a) evidence of entitlement;
- (b) information required in order to deal with the claim; and
- (c) authority or permission as may be necessary for the release by third parties of information in their possession relating to the claimant or member,

as the scheme manager may from time to time require for the purposes of these Regulations.

(3) A claim referred to in sub-paragraph (1) may be made by a person or persons other than the claimant where the scheme manager so provides.

(4) Any claim for benefit required in writing under these Regulations, and any evidence, information, authority or permission given in connection with that claim, may be made or given by means of an electronic communication where such method of communication is approved by the scheme manager from time to time.

Trivial commutation lump sum

6.—(1) The scheme manager may pay a person entitled to a pension under this scheme a lump sum representing the capital value of the pension and of any benefits that might have become payable under the scheme on the person's death apart from the payment if the conditions specified in sub-paragraph (2) are met.

(2) The conditions are that the payment complies with the following requirements (so far as apply)—

- (a) the contracting-out requirements [mentioned in section 9\(2\) of the 1993 Act](#);
- (b) the preservation requirements (see section 69(2) of the 1993 Act);

- (f) the lump sum death benefit rule (see, in particular, paragraph 20 of that Schedule: trivial commutation lump sum death benefit for the purposes of that Part).

(3) The lump sum must be calculated by the scheme manager in accordance with advice from the scheme actuary.

(4) The payment of a lump sum under this regulation discharges all liabilities of the scheme manager in respect of the pension in question and of any other such benefits as mentioned in sub-paragraph (1).

Beneficiaries who are incapable of looking after their affairs

7.—(1) In the case of a beneficiary who, in the opinion of the scheme manager, is by reason of illness, mental disorder, minority or otherwise unable to look after the beneficiary's affairs, the scheme manager may—

- (a) use any amount due to the beneficiary under the scheme for the beneficiary's benefit, or
- (b) pay it to some other person to do so.

(2) Payment of an amount to a person other than the beneficiary under sub-paragraph (1) discharges the scheme manager from any obligation under the scheme in respect of the amount.

8.—(1) The appropriate authority may extend a time limit mentioned in these Regulations as it applies in a particular case.

(2) The appropriate authority is—

- (a) the Secretary of State in relation to a function of the Secretary of State;
- (b) the scheme manager in relation to a function of the scheme manager.

PART 3

Interest

Interest on late payment of benefits and refunds of member contributions

9.—(1) This paragraph applies if the whole or part of an amount to which this paragraph applies is not paid by the end of the period of one month beginning with the due date.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(2) This paragraph applies to any amount payable by way of a pension, lump sum, refund of contributions under this scheme (other than any amount due under regulations 33 to 35) or interim award.

(3) The scheme manager must pay interest on the unpaid amount to the person to whom it should have been paid unless the scheme manager is satisfied that the unpaid amount was not paid on the due date because of some act or omission on the part of the member or other person to whom it should have been paid.

(4) The interest on the unpaid amount is calculated at the base rate on a day to day basis from the due date for the amount to the date of its payment and compounded with three-monthly rests.

(5) For the purposes of this regulation, except where sub-paragraph (6) applies, “due date”, in relation to an unpaid amount, means—

- (a) in the case of an amount in respect of a pension or lump sum payable to a member under Part 5, the day immediately following that of the member’s retirement from pensionable employment;
- (b) in the case of an amount in respect of a pension payable on a member’s death, the day after the date of death;
- (c) in the case of an amount in respect of a lump sum under regulation 112 that is payable to the member’s personal representatives, the earlier of—
 - (i) the date on which probate or letters of administration were produced to the scheme manager; and
 - (ii) the date on which the scheme manager was satisfied that the lump sum may be paid as provided in regulation 112;
- (d) in the case of an amount in respect of any other lump sum under Part 6 the day after the date of the member’s death; and
- (e) in the case of an amount in respect of a refund of contributions, the day after that on which the scheme manager received from Her Majesty’s Commissioners of Revenue and Customs the information required for the purposes of calculating the amount to be subtracted under regulation 41(2).

(6) If, on the date which, in accordance with sub-paragraph (5), would have been the due date for an unpaid amount in respect of a pension, lump sum or refund of contributions, the scheme manager was not in possession of all the information necessary for the calculation of the amount payable in respect of the pension, lump sum or refund, the due date for the unpaid amount is the first day on which the scheme manager was in possession of that information.

(7) In this paragraph, “interim award” means—

- (a) any amount paid by way of an interim payment calculated by reference to an expected benefit under this scheme pending final calculation of the full value of that benefit; and
- (b) any amount paid that increases the amount of an earlier payment due to a backdated or subsequent increase in pensionable earnings.

PART 4

Prohibition on assignment or charging of benefits

10. Any assignment of, or charge on, or any agreement to assign or charge, any right to a benefit under this scheme is void.

Offset of benefits

11.—(1) If, as a result of a member’s criminal, negligent or fraudulent act or omission, a loss to public funds occurs that arises out of or is connected with the member’s employment relationship with the member’s employer, the Secretary of State—

- (a) may reduce any pension or other benefit payable to, or in respect of, the member under these Regulations by an amount less than or equal to the loss; or
- (b) in a case where the loss equals or exceeds the value of the pension or other benefit, reduce them to nil or by any amount less than that value.

(2) Sub-paragraph (1) does not apply so far as the pension or other benefit—

- (a) is a guaranteed minimum pension; or
- (b) arises out of a transfer payment.

(3) If the Secretary of State proposes to exercise the power under sub-paragraph (1), the Secretary of State must give the member a certificate specifying the amount of the loss to public funds and of the reduction in benefits.

(4) If the amount of the loss is disputed, no reduction may be made under sub-paragraph (1) until the member’s obligation to make good the loss has become enforceable—

- (a) under the order of a competent court; or
- (b) in consequence of an award of an arbitrator or, in Scotland, an arbiter to be appointed (failing agreement by the parties) by the sheriff.

(5) If the loss is suffered by an employing authority, the amount of any reduction under sub-paragraph (1) must be paid to that authority.

Forfeiture of rights to benefits

12.—(1) The Secretary of State may direct that all or part of any rights to benefits or other amounts payable to or in respect of a member under these Regulations be forfeited if—

- (a) the member is convicted of any of the offences specified in sub-paragraph (2); and
- (b) the offence was committed before the benefit or other amount becomes payable.

(2) The offences are—

- (a) an offence in connection with employment that qualifies the member to belong to this scheme, in respect of which the Secretary of State has issued a forfeiture certificate;

(3) In sub-paragraph (2)(a), “forfeiture certificate” means a certificate stating that the Secretary of State is satisfied that the offence—

- (a) has been gravely injurious to the State; or
- (b) is liable to lead to serious loss of confidence in the public service.

(4) The Secretary of State may direct that all or part of any rights to benefits or other amounts payable in respect of a member under these Regulations be forfeited where the benefits or amounts are payable to a person to whom sub-paragraph (5) applies who has been convicted of the murder or manslaughter of that member or of any other offence of which unlawful killing of that member is an element.

(5) This sub-paragraph applies to a person who is—

- (a) the member’s widow, widower, nominated partner or surviving civil partner;

- (d) a person to whom such benefits or amounts are payable under the member's will or on the member's intestacy.

(6) A guaranteed minimum pension may be forfeited only if sub-paragraph (1) applies in the case of an offence within sub-paragraph (2)(b) **or if paragraph (4) applies**.

This is subject to sub-paragraph (7).

(7) This sub-paragraph is without prejudice to section 2 of the Forfeiture Act 1870 (under which forfeiture is required in cases of treason, subject to whole or partial restoration under section 70(2) of the Criminal Justice Act 1948).

PART 5

13.—(1) On the bankruptcy of any person entitled to a benefit under this scheme, no part of the benefit may be paid to the person's trustee in bankruptcy or other person acting on behalf of the creditors, except as provided for in sub-paragraph (2).

(2) Where, following the bankruptcy of any person entitled to a benefit under this scheme, the court makes an income payments order under section 310 of the Insolvency Act 1986 that requires the scheme manager to pay all or part of the benefit to the person's trustee in bankruptcy the Secretary of State must comply with that order.

PART 6

that charge must be paid by the scheme administrator.

(3) The member's present or future benefits or transfer payment in respect of which any charge under sub-paragraph (2) arises must be reduced by an amount that fully reflects the amount of the charge paid by the scheme administrator and is to be calculated by reference to advice provided by the scheme actuary for that purpose.

(b) less than 365 days of pensionable earnings in the period of 12 months ending on the last day of pensionable service, the amount of earnings represented by the formula—

$$\frac{PE \times 365}{N}$$

where—

N is the number of days of pensionable service in that 12 month period.

(2) The amount of the lump sum on death payable is equal to the higher of—

- (a) five times the annual rate of pension (excluding any element in respect of additional pension), less the amount of the pension payments already made to the member; and
- (b) the amount that would have been payable under paragraph 2 had the member died on the member's last day of pensionable service, less any lump sum paid to the member when the pension came into payment as a result of the member exercising the option under regulation 77.

(3) If P exercised the option under regulation 51, for the purposes of sub-paragraph (2)(a), the reference to the amount of the pension payments already made to the member is a reference to the amount of the pension payments that would have been made apart from the election.

5.—(1) A lump sum on death is payable under this paragraph in respect of the death of a recent leaver before the person reaches the age of 75.

Warning: this text has been prepared by Department of Health officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(2) The amount of the lump sum on death payable is equal to 2.025 times the amount of the deferred annual pension to which the recent leaver would have been entitled had that pension been calculated by reference to the pensionable service the recent leaver was entitled to count in the employment that has ceased.

Death of re-employed pensioner

6.—(1) A lump sum on death is payable under this paragraph in respect of the death of a re-employed pensioner (P).

(2) The lump sum is an amount equal to the sum of—

- (a) five times the annual rate of the relevant pension; and
- (b) the amount found by virtue of paragraph 4(2) in respect of each pension to which P has been entitled for less than 5 years.

(3) The relevant pension is—

- (a) if P dies before reaching normal pension age, a Tier 2 IHP (within the meaning of regulation 90);
- (b) if P dies on or after reaching normal pension age, a pension to which P would have been entitled under regulation 73 at the date of death.

(4) If P exercised the option under regulation 51, for the purposes of sub-paragraph (2)(b), the reference in paragraph 4(2) to the amount of the pension payments already made to the member is a reference to the amount of the pension payments that would have been made apart from the election.

Death of partial retirement pensioner

7.—(1) A lump sum on death is payable under this paragraph in respect of the death of a partial retirement pensioner.

(2) The amount of the lump sum on death payable is equal to the sum of—

- (a) the appropriate fraction of an amount that is the better of—

- (ii) the appropriate fraction of an amount that is the better of—

(aa) twice the member's re-valued pensionable earnings for the period of 12 months ending on the date on which the member last exercised the option under regulation 84; and

(bb) twice the member's re-valued pensionable earnings for the scheme year falling in the earnings reference period which has the largest re-valued pensionable earnings,

(3) In this paragraph—

“appropriate fraction” means—

$$\frac{DPS}{TDPS}$$

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

where—

DPS is, where the member continues in pensionable service as an active member on the election day (or the last such election day if the option has been exercised more than once), the total number of days of pensionable service which do not relate to the specified percentage of pension at the election day; and

TDPS is the aggregate of DPS and the total number of days of pensionable service (at the election day or the last such election day if the option has been exercised more than once) which relate to the specified percentage of pension payable;

“election day” has the meaning given in regulation 84;

“re-valued pensionable earnings” means, in relation to a scheme year, an amount equal to the actual pensionable earnings for the year increased by the rate of change in prices specified by the Treasury by order under section 9 of the 2013 Act.

Death of pension credit member

8.—(1) A lump sum on death is payable under this paragraph in respect of the death of a pension credit member.

(2) Paragraph (1) does not apply if—

- (a) the pension credit member dies after benefits attributable to the pension credit have become payable; and
- (b) the death occurs more than five years after the member’s pension becomes payable.

(3) If the pension credit member dies before benefits derived from the credit have become payable, the amount of the lump sum is equal to 2.025 times the amount of the annual pension to which the pension credit member would have been entitled under regulation 76 if the member had reached whichever is the later of age 65 or state pension age on the date of death.

(4) If the pension credit member dies after a pension under regulation 76 has become payable, the amount of the lump sum is equal to the lesser of amount A and amount B minus any lump sum paid to the pension credit member when the pension came into payment as a result of the member exercising the option under regulation 77.

(5) For the purposes of sub-paragraph (4)—

- (a) amount A is an amount which is five times the annual amount of pension payable to the member at the date of death, less the amount of the pension payments already made to the member;
- (b) amount B is the amount which is the higher of—
 - (i) twice the pension debit member’s re-valued pensionable earnings for the period of 12 months ending on the valuation day; and
 - (ii) twice the pension debit member’s re-valued pensionable earnings for the scheme year falling in the earnings reference period which has the largest re-valued pensionable earnings.

(6) In this paragraph—

“annual amount of pension” means the sum of—

- (a) the annual rate of pension payable to the member as at the beginning date for that pension; and
- (b) the increase (if any) in that annual rate under the Pensions (Increase) Act 1971 payable as at the date of death;

“the beginning date”, in relation to a pension, has the meaning given by section 8(2A) of the Pensions (Increase) Act 1971;

“valuation day” means the day referred to in section 29(7) of the 1999 Act.

Payment of lump sums on death

9.—(1) A lump sum payable under paragraphs 1 to 8 must be paid in accordance with this paragraph.

(2) The lump sum must be paid to the member's personal representatives, except so far as it is payable to a different person or body under sub-paragraph (4) or (6).

(3) A member may give notice to the scheme manager—

(a) specifying—

(i) the member's personal representatives;

(ii) one or more other individuals; or

(iii) one incorporated or unincorporated body, to whom the lump sum is to be paid; and

(b) where two or more individuals are specified, specifying the percentage of the payment payable to each of them.

(4) If the member has—

(a) given notice under sub-paragraph (3) specifying a person; and

(b) not revoked that notice,

the lump sum (or, as the case may be, the percentage of it specified in respect of the person) may be paid to the person unless sub-paragraph (5) or (7) applies.

(5) This sub-paragraph applies if—

(a) the person specified in the notice has died before the payment can be made; or

(b) the payment to that person is not, in the opinion of the scheme manager, reasonably practicable.

(6) If the member—

(a) leaves a surviving adult dependant; and

(b) has not given notice under sub-paragraph (3) or has revoked any notice so given,

the lump sum may be paid to that person unless sub-paragraph (7) applies.

(7) This sub-paragraph applies if the person to whom the lump sum (or a specified percentage of the lump sum) would otherwise be payable has been convicted of an offence specified in paragraph 12 of Schedule 3 (forfeiture of rights to benefits) and the Secretary of State has directed, as a consequence of that conviction, that the person's right to a payment in respect of the member's death is forfeited.

(8) A notice under sub-paragraph (3)—

(a) must be given in writing; and

(b) may be revoked at any time by a further notice in writing.

(9) The scheme manager may pay the lump sum to any person claiming to be the member's personal representative or otherwise to fall within sub-paragraph (3)(a), without requiring proof that the person is such a person concerned, if the lump sum does not exceed—

(a) £5,000; or

(b) any higher amount specified in an order made under section 6(1) of the Administration of Estates (Small Payments) Act 1965 as the amount to be treated as substituted for references to £500 in section 1 of that Act.

(10) The prohibition on assignment of benefits in paragraph 10 of Schedule 3 does not apply to an assignment by personal representatives under this paragraph.
