

NHS Pensions - Increasing your pension video transcript

Did you know that there are ways to increase your NHS Pension?

This could help you build what you need for your retirement.

Depending on which Scheme or Section you are a member of you may be able to apply for:

- Additional Pension
- Early Retirement Reduction Buy Out (ERRBO)
- Money Purchase Additional Voluntary Contributions

For more details about these and other options to increase your NHS Pension and how to apply please read the information on the website at www.nhsbsa.nhs.uk/nhs-pensions

The information in this video was correct at the time of publication (August 2017).
