- Please confirm the period used for the pay and give any details of deemed pensionable pay, for example, sickness or maternity pay.
- If there is any period of sick leave with reduced pay, please include the full rate of pay.
- Please tell us if there have been any changes during the pay period that will affect the contributions, for example, whole time to part time and if appropriate please provide the change date.
- If the member has left, please update the final SD55 and tick the box below confirming you have done this. There is then no requirement to provide any other information requested.
